GET CONNECTED ENGLISH PROGRAM

Monthly or 14-Week Semester

As the parent of an international student, would you like to learn English in a fun dynamic environment? We offer affordable, small, friendly, flexible classes. Mornings focus on speaking, listening, pronunciation and grammar. Afternoons include lessons on reading and writing.

Benefits of the community program:

- + meet other parents and make new friends
- + become a role model for your child studying English
- + develop life skills, i.e. banking, day-to-day conversation
- + participate in fun field trips and learn about the community
- + learn faster with individual attention
